6:00PM

L'Anse High School, 201 North 4th St, L'Anse, MI 49946

---

6:00PM – 7:00PM

### Informational Session – Question and Answer

Time for those in attendance to ask questions of DEQ staff members. During this time DEQ staff is happy to respond to your questions and provide more information and clarification when possible.

### MC:

Jay Parent – Environmental Engineer

### Panel Members:

*Air Quality Division*

Michelle Rogers – Permit Engineer

Ed Lancaster – UP District Supervisor

Bob Sills – Toxics Unit Supervisor

---

7:00PM –  
End of Comments

### Public Hearing – Comment Period

This is your time to tell us what you think about the two proposed actions. DEQ staff will give you background information about the purpose of the hearing and how comments will be used.

Remember, during the hearing, DEQ staff will not be responding to your comment.

**NOTE:** Your comments will be limited to 3 minutes.

If time allows, you may be able to add to your comment once everyone has had an opportunity to comment.

### Hearings Officer:

Jay Parent – Environmental Engineer

### Decision Maker:

Mary Ann Dolehanty – Assistant Division Director, Air Quality Division

### Proposed Actions:

1. Renewable Operating Permit – Renewal of existing permit that covers the whole facility.
  2. Permit to Install – Temporarily allow burning of engineered fuel pellets.
